

JAMOO

Jamoo is derived from the word jamu, an Indonesian traditional herbal medicine that has been used for many centuries in the Indonesian community to maintain good health and to treat diseases. Despite jamu's popularity throughout Indonesia, the jamu herbal culture seems to be most prevalent in Java, particularly in the Javanese royal courts of Yogyakarta and Surakarta. The ancient books on herbal medicine are kept in the royal library and jamu medicine is prescribed to royalties and nobles in Javanese palaces.
